11th CHINESE TOUR OF THE YARI PRODUCTIONS

"LOVE STORY" - YANNICK RIEU QUARTET CHINA TOUR 2012

The Yari Productions present their 11th Chinese tour: "**Love Story -Yannick Rieu Quartet**" from August 14 to August 27, 2012 in 8 cities (Beijing, Jining, Shaoxing, Hangzhou, Huzhou, Xuzhou, Foshan and Lianyungang).

Musicians: Yannick Rieu /tenor and soprano saxophones; Jean-Sébastien Williams/guitar Rémi -Jean Leblanc /bass; John Fraboni /drums

Presentation: a Quartet dedicated primarily to the interpretation of foreign and Canadian movie music, including famous pieces by François Dompierre, Ennio Morricone and Michel Legrand. The Group proposed an original rendering of this music while leaving room for improvisation. As always, the evening program is pleasantly punctuated by original jazz compositions from Yannick Rieu.

During these concerts, film excerpts will be broadcast as well as brief biographies of composers. Such an approach greatly promotes the interest and listening of the public.

The Yari Productions have organized numerous tours and important events such as "Canadian Jazz Experience Jazz in China, 2009", "Quebec Evening at the Shanghai Expo 2010" and "Celebration of 40 years of diplomatic relationships between Canada and China at the National Centre for the Performing Art of China".

Our reputation is well established in this country for the quality of our shows and for the collaboration efficiency with Chinese representatives. During the past six years, we have developed an important network of diffusers and business partners.

The Yari Productions wish to thank "**China Dali Xizhou Cultural Tourism Creative Park Co., Ltd.**" in particular, for supporting this tour.

The Yari Productions acknowledge the helpful financial support of the **Conseil des Arts et des Lettres du Québec.**
